

Advanced Academic Program at Birdville High School

Mission:

The advanced academics program gives students the chance to tackle college-level work while they're still in high school in order to help them potentially earn college credit and placement.

What a student should expect in Advanced Classes at BHS:

Accelerated Learning

Advanced practice involving reading, writing, and problem solving

Rigorous instruction

Provide foundational skills necessary for success in a college level course

Led by a teacher who expects academic integrity of its students

Grading Policy:

Because Advanced Placement classes represent university level work, the daily average shall represent
